Issue No. 55  
December, 2014

## DC LICENSE RENEWALS ARE DUE BY DECEMBER 31, 2014

If you have renewed in previous years, you are required to submit documentation of your attendance at 36 hours of CPBN-approved continuing education during the period January 1, 2013 through December 31, 2014. Any or all 36 hours may be attended online. If you were first licensed in Nevada in 2013-14, continuing education hours are not required.

Continuing education documents may be faxed, mailed or e-mailed to the Board's office, or you may upload digital CE documents online using your personal dashboard account – accessible through the CPBN website: <http://chirobd.nv.gov/>.

There is an additional \$25 processing fee for renewing with the paper renewal form. You may pay with a check or call in your payment with a credit card. In addition to the child support and child abuse questions, the CPBN is now also required to collect Nevada Business License information from every licensee. If the form is not completely filled out it will be returned to you for completion, and your renewal will not be processed until we receive the completed form.

### ***A Message from President Dr. Ben Lurie***

***Happy Holidays on behalf of the Chiropractic Physicians' Board of Nevada! The Board wishes to thank Dr. Annette Zaro for her four years of service. We also congratulate Dr. Maggie Colucci on her new appointment. I am pleased to have been reappointed and look forward to the next four years.***

***My thanks to the Board's staff and my fellow Board members for their dedication and hard work during the past year. Their hard work in the interest of public safety and updating the laws and regulations does not go unrecognized. With the license renewals currently upon us this is a very busy time of year for our staff.***

***If you have visited the Board's website lately, you will find that it is in the process of being updated. I trust that the updated format, information and on-line renewal are more user-friendly for you. For a fast and smoother process, please be sure all your continuing education documents (36 hours) are in the Board's office before you complete your renewal.***

***The next Board meeting will be in Las Vegas on January 10, 2015 at 9:30 AM at the Marriott's Courtyard, 3275 Paradise Road, Las Vegas, Nevada. As always, we invite you to attend. Public comment at the beginning and end of each meeting is always welcome.***

***Dear Doctors,***

***If you are planning on an advertising campaign, or simply re-designing your website, you may want to consider reading the Board's "Guide to Ethical Advertising." All common advertising violations the Board sees are addressed in this Guide. We also suggest that when proofing your ad, ask yourself, "Is this at all misleading?" If you think it might be, the Board will probably think so, too.***
