Agenda Item 2 PUBLIC INTEREST COMMENTS

There were no public interest comments.

Agenda Item 3 2011 CPBN Legislative Bill

A. Overview of legislative climate for 2011 session

Lobbyist Paula Berkley presented an overview of the critical issues the 2011 Legislature will be focusing on, i.e., budgetary deficiencies, reapportionment, and term limits. Of the five statutory changes under consideration for a CPBN bill, she recommended that three can be addressed as regulation changes, one is recommended to be addressed in policy, and Mr. Ling has advised that there is no need to revise the statutory continuing education requirements as the Board has the latitude to waive the CE requirement for licensees on active military duty. Ms. Berkley recommended that the Board follow the above recommendations and not submit a legislative bill for the 2011 session.

B. Discussion/possible action for approval of proposed legislative bill

Dr. Rovetti made a motion that the Board accept the recommendations and not submit a legislative bill for the 2011 Legislative session. Dr. Colucci seconded the motion. Upon discussion, Paul Jackson requested that, as Legislative Committee Chair, he be included in all Board regulatory and legislative matters. The motion passed with all in favor.

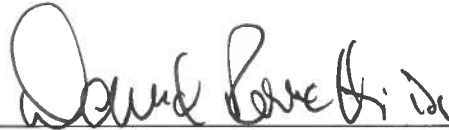

Agenda Item 4 Public Comment.

There was no public comment.

Agenda Item 5 Adjournment.

Shell Mercer moved that the meeting be adjourned. Dr. Rovetti seconded and the motion passed unanimously.
