AGENDA ACTION SHEET

TITLE: Agenda Item 7 PUBLIC WORKSHOP: Will begin at 9:30 a.m. via teleconference. Discussion to consider amendments to Nevada Administrative Code 634. – For possible action.

RECOMMENDED MOTION: Approve the recommended regulation changes for hearing.

PRESENTED BY: Margaret Colucci, DC

MEETING DATE: October 15, 2020

TIME REQUIRED: 60 minutes

BACKGROUND INFORMATION:

The recommendation to change the self-inspection from being submitted annually to biannually is to align it with the license renewal. DC's often associate the self-inspection with the renewal and the number of DC's that submit the self-inspection in the odd year is minimal.

VOLUNTARY WAIVER OF STATUTORY NOTICE OF A MEETING OF THE CHIROPRACTIC PHYSICIANS' BOARD OF NEVADA

I, Jessica Olivares, understand that the Nevada Open Meeting Law (NRS 241.033) grants to me a personal right to prior written notice of the time and place of a meeting whereas the Board will consider any one or more of the following matters: my character, alleged misconduct, professional competence, or physical or mental health. I understand that the Board must consider one or more of the above matters when it reviews the Agreed Settlement of Disciplinary Action and Order.

I know that by law the Board must give me this written notice in one of the two following ways before it is allowed to consider my request at its next scheduled meeting unless I personally choose to give up my right to receive my notice in such a way:

1. The Board must send the notice to me by certified mail at least twenty-one (21) working days before its meeting, or
2. It must deliver the notice to me personally at least (5) working days before its meeting.

I am aware that the next scheduled meeting will be held at 8:30 AM on Thursday, October 15, 2020 by **videoconference via Zoom (please refer to page 2 for the meeting instructions)**, and I want the Board to address my Application for Chiropractor's Assistant. This waiver of rights

Oct 1, 2020

expedites the Board's decision regarding my request, which is my wish in this matter. Therefore, I waive my rights to the notice specified by the Nevada Open Meeting Law with respect to the Board's October 15, 2020 meeting.

Signed on this 2 Day of October, 2020

The Chiropractic Physicians' Board of Nevada (hereinafter "the Board"), by and through its Board Counsel Louis Ling, makes the following which shall serve as a notice of intended action pursuant to NRS 233B.121 and as a notice of charges pursuant to NRS 634.170. The pertinent facts and law regarding this notice of charges are as follows:

The Chiropractic Physicians' Board of Nevada (the Board), by and through its Board Counsel Louis Ling, makes the following which shall serve as a notice of intended action pursuant to NRS 233B.121 and as a notice of charges pursuant to NRS 634.170. The pertinent facts and law regarding this notice of charges are as follows

I.

Michael Milman, D.C. was licensed by the Board on September 12, 2016 and was licensed with the Board at all times pertinent to this matter. In addition to being licensed in Nevada, Dr. Milman was also licensed in California.

II.

On December 18, 2017, Dr. Milman plead guilty to and was convicted of violating California Penal Code section 550(b)(1) for submitting false or fraudulent insurance claims or statement, a felony, in the case of *People v. Milman* (Super. Court L.A. County 2017). The facts underlying the conviction involved a ring of medical providers and an attorney by which billing fraud was perpetrated in personal injury actions. Dr. Milman's conviction involved a factual scenario where he had seen a patient seven times but billed the patient's insurance company for 28 treatments by documenting 21 false visits.

III.

On January 10, 2019, Administrative Law Judge Howard W. Cohen issued a Proposed Decision in the case of *Matter of Michael Milman, D.C.* (Case No. AC 2018-1174). After a full hearing of the

merits, including after taking testimony from Dr. Milman, ALJ Cohen found that Dr. Milman's felony conviction for insurance fraud and the conduct underlying the conviction justified the imposition of serious discipline, and ALJ Cohen therefore revoked Dr. Milman's license and ordered him to pay the California Board of Chiropractic's attorney's fees totaling \$5,767.50.

IV.

On January 29, 2019, the Board of Chiropractic Examiners in California (California Board) issued its Decision by which it adopted the Proposed Decision by ALJ Cohen. The California Board's Decision was effective on February 28, 2019, meaning that as of February 28, 2019, Dr. Milman's license in California was revoked.

V.

Dr. Milman unsuccessfully sought judicial review of the California Board's Decision. Therefore, Dr. Milman has exhausted his remedies, and the present state of Dr. Milman's California license is that it is revoked.

VI.

At no time did Dr. Milman notify the Board of either his felony conviction in California or of the Decision by the California Board. The Board learned of both through other means.

FIRST CAUSE OF ACTION

VII.

In being convicted of violating California Penal Code section 550(b)(1) for submitting false or fraudulent insurance claims or statement, a felony, in the case of *People v. Milman* (Super. Court L.A. County 2017), which felony was directly related to Dr. Milman's practice of chiropractic, Dr. Milman violated Nevada Revised Statutes (NRS) 634.140(1) and/or NRS 634.140(3)(b), and/or NRS 634.018(6).

SECOND CAUSE OF ACTION

VIII.

In having his license in California revoked by the California Board, Dr. Milman violated NRS 634.140(4).

THIRD CAUSE OF ACTION

IX.

In billing insurance for services that were not performed and engaging in fraud, as evidenced by the felony conviction in California and the Decision of the California Board, Dr. Milman violated NRS 634.140(1) and NRS 634.018(11) and Nevada Administrative Code (NAC) 634.430(1)(f)(1) and/or NAC 634.430(1)(m).

FOURTH CAUSE OF ACTION

X.

In failing to inform the Board of his criminal conviction and of his Decision by the California Board by which his California license was revoked, Dr. Milman violated NRS 634.140(1) and NRs 634.018(11) and NAC 634.425(1) and (2).

WHEREFORE, the Board's Staff requests that the Board impose such discipline as it deems just, necessary, and appropriate in this matter.

Signed this 19th day of August, 2020.

Case No. AC 2018-1174

OAH No. 2018051183

PROPOSED DECISION

Howard W. Cohen, Administrative Law Judge with the Office of Administrative Hearings, heard this matter on October 31, 2018, in Los Angeles.

Brian Lee, Deputy Attorney General, appeared on behalf of complainant Robert Pulao, Executive Officer of the Board of Chiropractic Examiners (Board), Department of Consumer Affairs.

Fred G. Minassian, attorney at law, represented respondent Michael Milman, who was present.

Oral and documentary evidence was received. The record was held open until December 17, 2018, to allow respondent to file additional evidence and complainant to file a reply. On November 19, 2018, respondent timely filed an additional document, which was marked as respondent's exhibit E. Complainant filed no reply. Exhibit E was admitted.

The record was closed and the matter was deemed submitted for decision on December 17, 2018.

Protective Order

The ALJ ordered portions of certain exhibits sealed to provide privacy protection.

SUMMARY

Complainant seeks to revoke respondent's chiropractic license due to respondent's criminal conviction for insurance fraud. Respondent disputes that he was convicted but admits he committed the fraudulent acts, and offered evidence of mitigation and rehabilitation. For the reasons set forth below, respondent's license is revoked.

FACTUAL FINDINGS

1. Complainant brought the Accusation in March 2018 in his official capacity. Respondent timely filed a Notice of Defense. This hearing ensued.

2. On April 14, 2006, the Board issued Chiropractic License number DC 30154 to respondent. The license was in full force and effect at all times relevant, and is scheduled to expire on March 31, 2019.

Respondent's Conviction

3. On December 18, 2017, in *People v. Milman* (Super. Court L.A. County, 2017, no. BA457129), respondent pled guilty to, and was convicted of, violating Penal Code section 550, subdivision (b)(1) (false or fraudulent insurance claims or statements), a felony. The court found a factual basis for, and accepted, respondent's plea. Respondent then entered into a negotiated disposition whereby he waived time for sentencing. The court set a sentencing hearing for June 18, 2019, to allow respondent time to perform community service as a condition for having the felony reduced to a misdemeanor. Respondent paid \$6,000 towards restitution to the victim, Travelers Insurance, and was released on bail. Respondent's counsel informed the court that, at the sentencing hearing in June 2019, he would move for dismissal under Penal Code section 1203.4. (Ex. E, p. 3.)

4. The facts and circumstances underlying respondent's conviction are that respondent examined and treated an individual over the course of seven visits in 2013. Then, with intent to defraud, respondent reported he had seen the patient 28 times, causing Traveler's Insurance to be billed for 21 treatments that were not, in fact, provided.

Criminal Investigation

5. Gilbert Miranda, a senior investigator with the Bureau of Investigation, Los Angeles County District Attorney's Office, investigated respondent when an informant told him that an attorney was part of an organized ring of fraudulent activities. An undercover officer working for Mr. Miranda visited the attorney's law firm and claimed to be an accident victim. Another attorney at the firm instructed the undercover agent to seek treatment from respondent. Respondent treated the agent over the course of seven visits. Respondent, however, prepared a report showing he had seen the agent on 28 visits between June 26 and November 20, 2013, and sent the report to the attorney to be submitted to Travelers Insurance. The district attorney thereupon filed criminal charges against respondent, resulting in respondent's felony conviction.

Mitigation and Rehabilitation

6. Respondent admitted that he documented 21 fake visits on the undercover agent's medical chart and that he wishes he had not done so. When asked on direct examination why he did it, respondent testified it was "probably poor judgment." Later, still on direct examination, when asked whether he accepts responsibility for his actions,

respondent reiterated that he had used “poor judgment.” To reassure the Board, respondent testified that he will never commit insurance fraud again. He has stopped working with the attorney who participated in the scheme. He now requires his patients to sign a statement verifying all dates of treatment before he submits a report to an attorney. Also, all personal injury patients respondent sees must sign a document, under penalty of perjury, stating that they were actually victims of an accident. The Board may not find this last measure as reassuring as respondent suggests. It seems designed primarily to ensure that respondent will not be deceived by another undercover investigator; there is no evidence on this record of any other “patient” falsely presenting as an accident victim.

7. Respondent submitted five character reference letters, all dated August 2018, from three professional colleagues and two patients. The letters are in the nature of general letters of recommendation; the authors praise respondent’s professional abilities, good character, and integrity. None of the letters reflects any knowledge of respondent’s criminal conviction for fraud in December 2017, only nine months before the letters were written, or of the Board’s bringing the Accusation in March 2018, only five months before the letters were written. Respondent’s testimony that he told the three professional colleagues about his criminal case and the Board’s action is not supported by corroborating evidence and is not credible.

8. Respondent has completed community service work ordered by the court, volunteering 100 hours at Carriage Hope, a non-profit thrift store, through the Assistance League of Los Angeles, which is affiliated with the superior court in Van Nuys. He has also provided free chiropractic care to elderly residents of a residential facility, Ambassador Gardens, for several years.

9. Respondent has been a chiropractor for 12 years. He is the main financial support for his family. His wife, who is not currently employed, recently graduated from a physical therapist training program and has taken her licensing examination.

Costs

10. The Board incurred prosecution costs in the amount of \$5,767.50, which are found to be reasonable.

LEGAL CONCLUSIONS

Applicable Authority

1. The Board is charged with adopting regulations “appropriate to the establishment and maintenance of a high standard of professional service and the protection of the public.” (Bus. & Prof. Code, § 1000-10, subd. (a).)¹

2. The Board may suspend or revoke a license to practice chiropractic for violation of the regulations adopted by the Board in accordance with the Chiropractic Act, or for any cause specified in the Chiropractic Act, including “a plea or verdict of guilty or a conviction following a plea of nolo contendere made to a charge of a felony or of any offense substantially related to the practice of chiropractic.” (Bus. & Prof. Code, § 1000-10, subd. (b).)

3. The Board’s regulations provide that the Board shall discipline the license of any licensee who has engaged in unprofessional conduct, which is defined to include, among other things, conviction of a crime substantially related to the qualifications, functions, or duties of a chiropractor; conviction of any offense, whether felony or misdemeanor, or the commission of any act, involving moral turpitude, dishonesty, or corruption; knowingly creating or signing a document relating to the practice of chiropractic that misrepresents facts; violating or assisting in the violation of the Chiropractic Act; and participating in any act of fraud or misrepresentation. (Cal. Code Regs., tit. 16, § 317, subds. (g), (h), (k), (l), (m), & (q).)²

Burden of Proof

4. The rigorous educational, training, and testing requirements for obtaining a chiropractic license justify imposing on complainant a burden of proof of clear and convincing evidence. (Evid. Code, § 115; see, e.g., *Ettinger v. Bd. of Medical Quality Assurance* (1982) 135 Cal.App.3d 853, 856; *Imports Performance v. Dept. of Consumer Affairs, Bur. of Automotive Repair* (2011) 201 Cal.App.4th 911.)

//

//

¹ The Chiropractic Act, an initiative measure enacted in 1922, is codified at Business and Professions Code sections 1000-1 to 1000-19.

² All further references to the California Code of Regulations are to title 16. The Board retains the authority to take disciplinary action against a license that has expired or been suspended or surrendered. (Cal. Code Regs., § 355.1.)

Cause for Discipline

5. Cause exists to suspend or revoke respondent's license under section 10 of the Act, in accordance with California Code of Regulations section 317, subdivision (g), in that respondent was convicted of a crime substantially related to the qualifications, functions, or duties of a chiropractor, as set forth in Factual Findings 3 through 5.

6. Cause exists to suspend or revoke respondent's license under section 10 of the Act, Business and Professions Code section 810, subdivision (a)(1) and (2), and California Code of Regulations section 317, subdivision (h), in that respondent engaged in unprofessional conduct by committing acts of moral turpitude, dishonesty, and corruption, as set forth in Factual Findings 3 through 5.

7. Cause exists to suspend or revoke respondent's license under section 10 of the Act, Business and Professions Code section 810, subdivision (a)(1) and (2), and California Code of Regulations section 317, subdivision (k), in that respondent engaged in unprofessional conduct by committing acts of moral turpitude, dishonesty, and corruption by misrepresenting additional treatments for submission to an insurance company for payment, as set forth in Factual Findings 3 through 5.

8. Cause exists to suspend or revoke respondent's license under section 10 of the Act, Business and Professions Code section 810, subdivision (a)(1) and (2), and California Code of Regulations section 317, subdivision (l), in that respondent engaged in unprofessional conduct by knowingly making or signing documents relating to the practice of chiropractic that falsely represented facts, as set forth in Factual Findings 3 through 5.

9. Cause exists to suspend or revoke respondent's license under section 10 of the Act, Business and Professions Code section 810, subdivision (a)(1) and (2), and California Code of Regulations section 317, subdivision (q), in that respondent engaged in unprofessional conduct by participating in acts of fraud or misrepresentation, as set forth in Factual Findings 3 through 5.

10. Cause exists to suspend or revoke respondent's license under section 10 of the Act, Business and Professions Code section 810, subdivision (a)(1) and (2), and California Code of Regulations section 317, subdivision (m), in that respondent engaged in unprofessional conduct by violating or attempting to violate, assisting in or abetting in the violation of, or conspiring to violate provisions or terms of the Chiropractic Act or regulations adopted by the Board, as set forth in Factual Findings 3 through 5 and Legal Conclusions 1 through 3.

11. Complainant has clearly and convincingly established that respondent has violated the Chiropractic Act and regulatory provisions governing the professional practice of chiropractic. Respondent was convicted of a felony offense performed in the course of billing for services he provided as a chiropractor. The crime is, therefore, substantially related to the practice of chiropractic. The crime also involves dishonesty and moral turpitude. (See, e.g., *Matanky v. Board of Medical Examiners* (1978) 79 Cal.App.3d 293,

305-306 [felony fraudulent billing is a serious offense involving moral turpitude]; *People v. Castro* (1985) 38 Cal 3d 301 [moral turpitude and crimes involving dishonesty].) The purpose of a disciplinary action such as this is to protect the public and not to punish the licensee. (*Camacho v. Youde* (1979) 95 Cal.App.3d 161, 164.) “The object of an administrative proceeding aimed at revoking a license is to protect the public, that is, to determine whether a licensee has exercised his privilege in derogation of the public interest, and to keep the regulated business clean and wholesome.” (*Small v. Smith* (1971) 16 Cal.App.3d 450, 457.)

12. Respondent’s evidence of mitigation, rehabilitation, and character is insufficient to establish that his continued licensure would not pose an unacceptable risk to public health, safety, and welfare. Respondent has failed to demonstrate rehabilitation, which is required to assure that he will not again engage in dishonest activities in his practice. Respondent’s admission at hearing that committing insurance billing fraud was “probably poor judgment” is hardly an expression of introspection and remorse; it barely suffices even to convey his regret at being caught in the act. Fraud is not an act of poor judgment, but an immoral act demonstrating a failure of character and integrity. At no time in the course of this hearing did respondent intimate any understanding of that failure, though he blandly repeated the phrase “poor judgment” in the apparent expectation that doing so could establish his remorse. Repetition of a catch-phrase is not evidence of reform.

13. Rehabilitation is a “state of mind,” and the law looks with favor upon rewarding with the opportunity to serve one who has achieved “reformation and regeneration.” (*Pacheco v. State Bar* (1987) 43 Cal.3d 1041, 1058.) To demonstrate rehabilitation, respondent must confront and admit his acts. His critical failure to truly accept responsibility for his criminal and fraudulent acts does not reflect well on his ability to carry out the duty to the public of truthfulness and integrity required of a licensed chiropractor. (See, e.g., *In re Gehring* (1943) 22 Cal.2d 708.) Respondent’s lack of apparent concern about the immoral nature of his acts also gives rise to concern about whether he is capable of unflinching honesty and truthfulness in his dealings with patients, third parties, and payors who act on behalf of patients. (See, e.g., *Krain v. Medical Board* (1999) 71 Cal.App.4th 1416, 1425; *Windham v. Board of Medical Quality Assurance* (1980) 104 Cal.App.3d 461.) In this case revocation is warranted to protect the public.

14. Respondent’s conviction was just over one year ago and his probation and sentencing hearing is not calendared to occur until June 2019, six months from now. Given the seriousness of respondent’s misconduct, his unwillingness to confront the nature of that misconduct, and his inability to offer any convincing grounds to believe that those acts will not be repeated (Factual Findings 7, 8), respondent did not establish sufficient mitigation or rehabilitation to demonstrate that the public would be adequately protected if his license is not revoked.

15. An administrative law judge may direct a licentiate found to have committed a violation of the Act to pay the reasonable costs of the investigation and enforcement of the

case. (Cal. Code Regs. § 317.5, subd. (a).) Here, it was established that the Board reasonably incurred enforcement costs totaling \$5,767.50. (Factual Finding 10.)

ORDER

It is hereby ordered that Chiropractic License No. DC 30154, issued to respondent Michael Milman, is revoked. Respondent is ordered to pay the Board \$5,767.50 in enforcement costs.

To Whom It May Concern:

Re: In Support of Chiropractic
License of Dr. Michael Milman

The following is presented on behalf Dr. Michael Milman to confirm and support my recommendation of his conduct, competency and professionalism I, Julia Sklar, duly licensed attorney in good standing in the state of California since 1999. Throughout the years, I only experienced positive encounters with him.

I have known Dr. Michael Milman for a period of about eight years. Initially, I have learned of Dr. Milman through my client who happened to be Dr. Milman's patient. This client raved about how happy he was with doctor's care, doctor's "bedside" manner and his flexibility in accommodating patient's busy schedule. During the course of my client's treatment, I had contacted Dr. Milman and requested medical documents and billing which were promptly addressed. Thereafter, several other clients have been Dr. Milman's patients over the course of several years. And again, the ALL of Dr. Milman's patients have only positive and successful experience with Dr. Milman. In my own personal contact with Dr. Milman, he was always very professional, courteous, respectful, and thorough. I was very sad to find out that Dr. Milman closed his practice in Los Angeles area and moved to Nevada.

Most recently, I did learn that Dr. Milman had some trouble with the law and had suffered a conviction. I was surprised about this situation in light of the fact that nothing in my professional dealing with the Dr. Milman would alert me about lack of honesty, integrity or quality of his medical competency. Noone is happy about making mistakes and Dr. Milman is the kind of person, that even if he made a mistake, he would never had intended to. I believe based on my professional relationship with Dr. Milman, he needs to continue to provide much needed chiropractic care to patients based on his excellent skills and competence as was experienced by all of my clients with full satisfaction. That is something to be proud of. I believe Dr. Milman deserves to be member of his profession .

Again, I request that Dr. Milman should be allowed to continue his path as Doctor of Chiropractic and help many suffering persons in their journeys toward recovery and betterment of their health. I declare under the penalty of perjury that the above is true and correct to the best of my knowledge.

Thank you for your consideration,

Julia Sklar Esq.

To whom it may concern

Dear Gentle people,

I know personally and had a chance to work with Dr. Michael Milman since 2010.

During those years I learned a lot from him. This doctor has outstanding adjustment skills and I always asked him to treat me and my family members. For the years he was my covering doctor when I was out of Los Angeles or had a vacation. All my patients were happy with him and I trust this doctor same as myself.

He had made a huge mistake back in 2013, committed insurance fraud, which ended up in his California chiropractic license revocation in 2019.

We had opportunities to talk about this for many times. I saw him fully remorse, cursed a day when he did this.

A lot of patients were extremely disappointed by losing him as their favorite chiropractor.

I really hope he will get his California chiropractic license in 2021, to be a great doctor to his patients and reliable partner to me.

Also, Dr. Milman told me about allegations been brought against him by Nevada Chiropractic Board, based on California Chiropractic license revocation only. It is does not look fair to me, why Dr. Milman has to be responsible for his California problems with another state Board, especially taking in consideration the fact that he already been punished in California. I know that he successfully practices in Nevada and I really want his patients to continue to get chiropractic care from such an outstanding doctor.

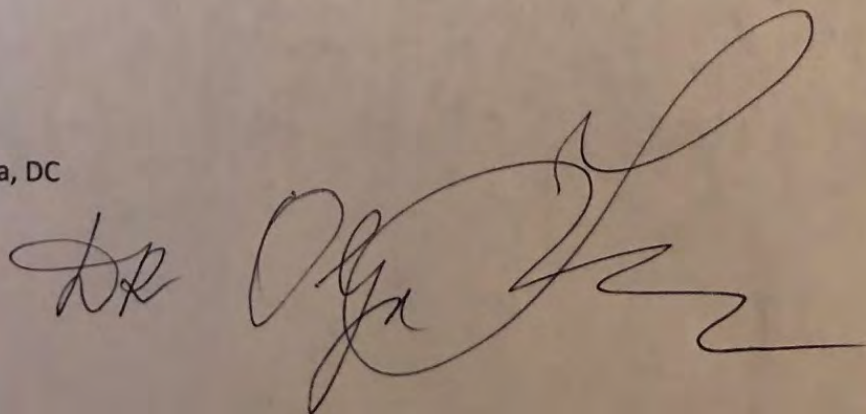

I declare under penalty of perjury of the laws of the State of Nevada and the United States Constitution that the foregoing is true and correct to the best of my knowledge.

I am willing to testify regarding the above opinions and information.

Sincerely yours,

Dr. Olga Tabarovskaya, DC

I am willing to testify regarding these opinions and information contained in this letter.

I have been an attorney in good standing with the California Bar for 23 years and have had a professional relationship with Michael Milman for over 10 years. I have known him to be a very skilled and professional chiropractor. I have had the pleasure of referring many clients to his office and not once have there been any complaints from the clients or the insurance companies.

Thank you for your anticipated cooperation in this matter.

Very truly yours,

Re: Dr. Michael Milman, DC, MS

From: Irina Kasabov, PT

I, Irina Kasabov, PT would like to give my statement.

Providing collaborative care with Dr. Michael Milman, knowing him as an excellent health care professional, acting in a good faith, addressing patient's medical issues, applying the best course of treatment in efficient matter of time, bringing outstanding results.

Unfortunately, his California chiropractic license has been revoked because of insurance fraud misconduct he committed in 2013.

I saw a deep remorse and his truly regrets of the mistake he made.

I worked with him for about 3 years and know Dr. Milman as a highly educated chiropractor and very hard-working doctor. He referred me a lot of patients for physical therapy and rehabilitation to continue the improvements in their musculoskeletal conditions.

I never heard even one bad word or complain about Dr. Milman. Opposite, all the patients were grateful for his treatments and really appreciated his referrals to continue their improvements with me.

My opinion and concept about Dr. Milman had not change at all, because I see him as a great professional and the human been that will sacrifice his personal life to be necessary if patient will need it. In fact, he is only chiropractor I know who had late appointments (after 7 pm) and was doing house calls.

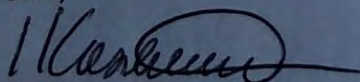

I know that he is happy living and practicing in the state of Nevada. To me allegations has been brought against him by Nevada Chiropractic Board, based on his license revocation in California, are looking strange. Each state in our country has its own laws and regulations. Dr. Milman never violated or broke any of them in the state of Nevada. He started his practice in Metropolitan Las Vegas and I know that his patients are in good hands. And we know that California Chiropractic Board has already punished him. I hope Nevada's Chiropractic Board will be more understandable.

Also, I am looking forward that the next year (2021) he will regain his California chiropractic license to be able to treat his patients, who missed him a lot.

I declare under penalty of perjury of the laws of the State of Nevada and the United States Constitution that the foregoing is true and correct to the best of my knowledge.

I am willing to testify regarding the above opinions and information.

Yours,

Irina Kasabov, PT

To whom it may concern

My name is Ida Kirzhner. I am a medical assistant and I worked with Dr. Michael Milman from 2011 through 2019. Dr. Milman is outstanding chiropractor, deeply knowledgeable, popular volunteer and very caring practitioner for his patients.

I am aware of the legal issues he had with the State of California and California Chiropractic Board.

It is very unfortunate that our community lost one of the most skilled and a highly educated doctor.

From my point of view, everybody makes mistakes and the most difficult part is accepting them and correcting them. Knowing Dr. Milman for almost nine years I am a witness how this incident affected him and how much remorse he is about what happened. But nobody is perfect and Dr. Milman is not an exception.

He told me about actions of Nevada Chiropractic Board against him. As far as I understood those actions based on the decision of California Chiropractic Board of his license revocation and nothing more than that.

I know from our patients who moved from Los Angeles to Las Vegas that they are happy to have him as their chiropractor again. In fact, they referred him relatives and friends and all of them like Dr. Milman's care.

Everybody has a right for a second chance. I really hope that at the beginning of the year 2021 Dr. Milman will restore his California Chiropractic License and his patients will have chance to continue their treatments with him in both states (California and Nevada).

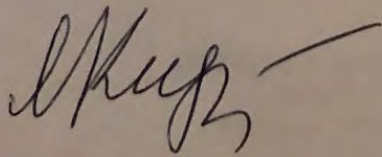

I know Dr. Milman as a good citizen who respects the laws.

Dr. Milman should not be punished twice for the same mistake the made back in 2013.

I declare under penalty of perjury of the laws of the State of Nevada and the United States Constitution that the foregoing is true and correct to the best of my knowledge.

I am willing to testify regarding the above opinions and information.

Truly yours,

Ida Kirzhner, MA. 818-665-6030

Case Nos. 19-14N

MAY 29 2020

NOTICE OF CHARGES

RECEIVED
RENO, NEVADA 89502

The Chiropractic Physicians' Board of Nevada (hereinafter "the Board"), by and through its Board Counsel Louis Ling, makes the following which shall serve as a notice of intended action pursuant to NRS 233B.121 and as a notice of charges pursuant to NRS 634.170. The pertinent facts and law regarding this notice of charges are as follows:

I

On June 26, 2014, Dr. Camilleri became licensed as a chiropractor in Nevada (License No. B01553). At all times pertinent to this matter, Dr. Camilleri's practice was and is located at The Joint, 1560 E. Lincoln Way, Suite #110, Sparks, Nevada (hereinafter Sparks Joint).

II

On November 5, 2019, the Board's office received a complaint from Alan Platt, D.C. regarding Dr. Camilleri's practice at the Sparks Joint. Dr. Platt was employed by The Joint and was deployed at the Sparks Joint. Dr. Platt's complaint related concerns with Dr. Camilleri's practice and record keeping at the Sparks Joint.

III

The investigation conducted by Dr. Xavier Martinez, the Investigating Board Member (IBM) assigned to the matter, examined medical records regarding patient encounters made and maintained by ten chiropractic physicians who served patients at the Sparks Joint, including records made by Dr. Camilleri and Dr. Platt. The examination of the medical records consistently across all chiropractic physicians at the Sparks Joint included but was not limited to the following:

- (a) Complete physical examinations apparently were not conducted;
- (b) Results of examinations as recorded were cursory and were often incomplete;

- (c) Diagnoses were sporadically made and recorded;
- (d) Initial complaints and significant events related to a patient’s health were rarely obtained or recorded;
- (e) Reexaminations of patients were rarely performed or recorded;
- (f) The results of palpations of patients performed by the chiropractic physicians, when recorded, were usually identical in substance, indicating that the entries were *pro forma* and, thereby, indicated no unique or useful information;
- (g) No range of motion measurements were made;
- (h) Plans of treatment were sporadically recorded and when recorded were often cursory or vague.

IV

The IBM’s investigation determined that Dr. Camilleri made the worst records of all of the employed chiropractic physicians.

V

The IBM’s investigation determined that Dr. Camilleri supervised, oversaw, and instructed the other employed chiropractic physicians at the Sparks Joint. The IBM’s investigation further determined that the chiropractic physicians employed at the Sparks Joint were instructed by Dr. Camilleri to make the poor records previously noted. The IBM was told by employed chiropractors that Dr. Camilleri stressed maintaining a high volume of patients as paramount and that record keeping should not interfere with maintaining the patient volume.

FIRST CAUSE OF ACTION

VI

In failing to make or maintain legally sufficient patient care records related to his personal encounters with patients, Dr. Camilleri violated Nevada Revised Statutes (NRS) 634.018(10) and/or NRS 634.018(11) and/or NRS 634.018(17) and NRS 634.140(1) and Nevada Administrative Code (NAC) 634.435.

SECOND CAUSE OF ACTION

VII

In allowing, authorizing, and instructing chiropractic physicians employed at the Sparks Joint who, as a result of Dr. Camilleri's acts, failed to make and maintain legally sufficient patient care records related to their encounters with patients, Dr. Camilleri violated NRS 634.018(10) and/or NRS 634.018(11) and/or NRS 634.018(17) and NRS 634.140(1) and NAC 634.410(1) and NAC 634.435.

WHEREFORE, the Board's Staff requests that the Board impose such discipline as it deems just, necessary, and appropriate in this matter.

Signed this 27th day of May, 2020.

23 automatically suspended without any action of the Board other than the issuance of an Order of
24 Suspension by the Executive Director. Upon complying with the term, Dr. Camilleri’s chiropractor’s
25 license in the State of Nevada will be automatically reinstated, assuming all other provisions of the
26 Settlement Agreement are in compliance. Additionally, Dr. Camilleri’s failure to comply with any term
27 or condition of this Settlement Agreement may result in further discipline by the Board, up to and
28

1 potentially including revocation of his license. Board Staff may take any and all actions it deems
2 necessary to collect any sums ordered that remain unpaid. If Board Staff is required to pursue judicial

RECOMMENDED MOTION: Determine the timing of the continuing education audit.

PRESENTED BY: Morgan Rovetti, DC

MEETING DATE: October 15, 2020

TIME REQUIRED: 5 minutes

BACKGROUND INFORMATION: The 2019 Legislature approved NRS 634.130 (9) The Board may adopt regulations that provide for random audits of licensees and holders of a certificate as a chiropractor's assistant to ensure compliance with subsection 3 or 4, as appropriate.

NAC 634.386 was approved 10/30/2019 Audits of licensees and holders of certificates to ensure compliance with requirements of continuing education. ([NRS 634.030](#), [634.130](#))

1. The Board may perform random audits of licensees and chiropractor's assistants or audits that are based on complaints or charges against licensees or chiropractor's assistants to ensure compliance with the requirements for continuing education.

2. If the Board chooses to conduct an audit of a licensee or chiropractor's assistant, the Board will notify the licensee or chiropractor's assistant, as applicable, of its decision to conduct an audit. The licensee or chiropractor's assistant, as applicable, shall provide to the Board detailed information and documentation concerning the hours of continuing education claimed.

The original concept was put in place to reduce the amount of continuing education certifications that had to be reviewed by staff. This agenda item request brings up a valid point that an audit is typically done as a follow-up.
