Message from the President

During these unprecedented times, I want to reassure licensees and the general public that the Chiropractic Physicians Board of Nevada remains focused on our mission to protect the public. As issues of concern may surface and questions are received, the CPBN is ready to provide guidance and direction for compliance. As chiropractic physicians, we are grateful to be recognized as essential healthcare providers. If your practice is open please continue to take all the precautionary measures to ensure the safety of your patients, yourself, and your staff. Please contact the Board office if you have any questions or concerns.

~ Dr. Margaret R. Colucci, President

2020 Board Meetings

* July 9th

* October 15th

Congratulations to Jason O. Jaeger, DC

Dr. Jaeger was elected by state delegates as the District IV Director of the National Board of Chiropractic Examiners. Dr. Jaeger is the 3rd past Nevada Board President to be elected to the National Board. Congratulations Dr. Jaeger, we are proud that you will be representing District IV of the NBCE.

Cannabidiol or CBD

The Board's office has received questions regarding whether chiropractic physicians may recommend or sell CBD products. Despite that CBD products are readily available, there is no provision of Nevada law that authorizes a chiropractic physician to recommend or sell CBD products. Therefore, the Board has been informing chiropractic physicians since August 2019 to discontinue recommending or selling CBD products.

DC LICENSE RENEWAL

A reminder postcard will be mailed to all active and inactive DC's at the beginning of October 2020 to complete your DC license renewal by December 31, 2020 for the 2021/2022 biennium.

Your complete renewal must include the following:

CONTINUING EDUCATION

All licensees are REQUIRED to complete 36 hours of continuing education during the 24 months immediately preceding the renewal date of the license, unless this is your first renewal period. NRS 634.130 (9) passed to allow the random audit to select 20% of the active licensees who will be notified on their renewal postcard to submit their CE certificates to the Board.

If your renewal postcard does not indicate that you were selected to submit your certificates to the Board, please do not provide them. You may, however, upload them by logging in to your portal via the Board's website. The Board staff will no longer keep or enter CE certificates unless you were selected in the audit. If you have previously submitted your certificates we have retained them in your file and will record them if you were selected to submit your CE certificates.

COVID-19 Note: An extension to submit CE as part of the renewal process may occur depending upon when Governor Sisolak terminates some or all of his emergency directives. *Stay tuned.*

RENEWAL QUESTIONS

The renewal questions are online when you log in through the Boards website with your License # and SSN. If you do not have access to a computer you may download the 2021/2022 DC License Renewal on the Boards website.
